Description/Justification of Change (Continued)

The title of this milestone, M-03-03, incorporates not only the agreed to Target Milestone M-03-01-T1, "Establish date for design completion. Provide a date for a new interim milestone which will read 'complete HWVP detailed design.'" but, in addition, reflects one of the milestones discussed in the current negotiations between Department of Energy and Ecology Tank Waste Remediation System (TWRS) "negotiating" team. This team was charged to develop near term interim and target milestones within the TWRS that support HWVP Hot Start-up in December, 1999.
